

Company: Chirmarn Asbestos Removal Ltd, Newburn Bridge Road, Blaydon, NE21 4NT & Unit 5, Capitol Park, Capitol Close, Dodworth, S75 3UB.

Job Title: Asbestos Supervisors/Operatives

Location: Northeast/Yorkshire & Humberside/Midlands/ full UK.

As part of our company growth, we are actively recruiting for fully experienced asbestos trained supervisors and operatives to join our Asbestos Removal Company.

Salary / Rates: Competitive market rates to be confirmed at interview stages. 20 days holiday plus bank holiday, optional pension scheme.

Forming a pivotal part within our existing removal teams, the supervisors and operatives will be key players in providing an excellent service to our expanding client base. The role requires individuals who are responsive, flexible, and organised.

We offer excellent development and promotional opportunities for the right individuals.

Requirements:

- Supervisors 5yrs minimum experience in asbestos removal with a traceable proven history, up to date certification, which includes half/full face fits, mask test, medical. working at height, manual handling & Valid CSCS card
- Operatives 2yrs minimum experience in asbestos removal, with up-to-date certification, which includes half/full face fits, mask test, medical.
- Up to date with current legislation.
- Two checkable references.
- Full clean drivers licence with the ability to tow DCUs, would be preferred.
- Willing to work overtime when and as required.
- Able to keep a high standard of site paperwork.
- Other training would be advantageous i.e., MEWPS, PASMA, IPAF, Confined spaces & NVQ.

Duties Include:

- Working alongside our existing asbestos removal squads.
- Working to the standards over and above the minimum requirements.
- Effective communication/presentation always.
- Good time keeping.
- Having pride in your work.
- Being flexible to deliver availability within our expanding client base nationwide when required.
